

# Let's Unite On National Wear Red Day®

## In 80 seconds...

*The sun will set on another day.  
A bride will walk down the aisle.  
A baby will take their first steps.*

**But every 80 seconds,  
a woman also dies of heart  
disease or stroke.**

**Every 80 seconds counts!**

...take charge of your heart health!

## How can you **Go Red For Women** on **Wear Red Day**?

- ♥ On **Wear Red Day**, employees, coworkers, friends, and neighbors donate \$5 each and dress casually, dress in red, share healthy “red” recipes, and so much more.
- ♥ [CLICK HERE](#) to register for Wear Red Day 2018! You will receive an Event Kit containing posters, heart-healthy info, and “red dress” pins, key chains, or hearts.
